IUP Cybersecurity Scholarship Program (CySP) Meeting Minutes

March 1, 2022 – 11:30 – 12:00

- Attended by: Dr. Waleed Farag (PI), Dr. Ezekiel (Co-PI), Nicholas Villano, Jacob Neulight, Dylan Dewalt, Neil Yoder, Cassandra Lefever, Maria Balega, Zachary Cupp, and Zaryn Good
- Previous meeting minutes from February 1, 2022, were unanimously approved
- Announcements
  - The new cycle proposal was submitted on February 28, 2022
  - After the last meeting, there were a few reported issues with the stipend ($12,500) and tuition waivers
    - All issues were resolved
    - No new issues were reported
  - Book allowance ($625)
    - No issues reported
  - BloomCON (https://bloomcon1.wordpress.com/)
    - Funds have been supplied in the past for those interested in attending this in-person event
- Discussion
  - No one reported any issues for this semester
  - Hackathon (4th place among 9 schools)
    - Dylan: hackathon was fun, just not enough prep for infrastructure
    - Nick: worked on CTF and found it a good learning experience
  - Any issues for graduation
    - All graduating students applied for graduation and reported no issues
  - One student has not submitted their portfolio that was due on February 28, 2022
    - No issues were reported regarding the portfolios
- Make sure to review student responsibilities that were documented in the last meeting
- Anonymous survey regarding the DoD CySP was filled out

The next meeting will be on April 11, 2022, at 11:30 and everyone confirmed their availability for it.

Submitted by: Cassie Lefever and Dr. Waleed Farag
