DoD: Cybersecurity Scholarship Program (CySP)
Meeting's Agenda on November 9, 2022

Minutes Approval

- Approval of the minutes of the last meeting held Sept. 21, 2022.

Renewal:

- As all of you should know by now, the application for the new CySP cycle (AY 2023-24) has recently opened and all details you need to know can be found on the project website at https://www.iup.edu/cybersecurity/grants/dod-cyber-scholarship-program/index.html.

  - Application deadline for new and returning students is on Feb. 1, 2023.

  - Returning students will need to submit an online application via the AVUE tool used in their last year application.

  - A Zoom information session is scheduled on Monday, 11/21, at 3:00 PM. **Any questions???**

  - See the agenda/minutes of the meeting on 8/24/2022 for additional details regarding renewal.

Announcements:

- Thanks for all CySP recipients who helped during the 15th Annual Cybersecurity Day held on Oct. 18, 2022.

- Scholarship tuition waivers and stipends for fall 2022. **Any problems???**

- Laptop reimbursement status. Dr. Farag has promptly submitted all reimbursement forms and documentation so that CySP students can get reimbursed for expenses they paid soon. **All students, please report on your reimbursement status.**

- Status of book reimbursement for Jordan and Malcolm. Please report.

Spring course registration:

- ***Each of the SIX CySP students who will be graduating this May needs to confirm that her/his graduation plan is going well and there are no problems that may prevent him/her from graduating on-time***.

- All 11 CySP students, please report the exact number of credits that you registered for coming spring.

- As discussed several times before, the scholarship will ONLY pay for academic year courses (fall/spring). If you have any questions regarding this, please contact Dr. Farag.

Discussions:

- Forming our Cyber Team to participate in the spring 2023 CAE NE Hackathon. Site, https://www.ncaecybergames.org/students/ . We need CySP students to take the lead on this effort as has been the case in the past. Please coordinate with Malcolm, CS Club president, and keep Dr. Farag posted.

- There might be fund to support student travel for a professional event but this is handled (if available this year) directly by the CySP PO.

- Cybersecurity Club updates: meetings topics, website, etc.

- Cybersecurity portfolio status.

Students' Reports:

- Any outstanding issues that might affect your academic performance and report on the contributions to the program.
