DoD: Cybersecurity Scholarship Program (CySP)

Meeting Agenda on April 19, 2022

Minutes Approval

- Approval of the minutes of last meeting held March 1, 2022.

Announcements:

- Returning student renewal as well as new CySP awardees will be announced sometime this month (I do expect this to happen soon).

- There might be a chance for another Hackathon in AY 2022-23 similar to the one IUP participated in spring 2022 and earlier years. We expect that CySP students will take the lead of our Cyber Team.

- All requests for reimbursements have been approved by the PI and should had been processed a while ago. Any issues??

- All CySP students (except one) have already submitted their Cybersecurity Portfolios. Thanks a lot, to all of you who submitted the portfolio. I still need the missing portfolio.

- This our last official meeting in this academic year. Congratulations to CySP recipients who will be graduating soon and joining their DoD agencies.

Discussions:

- For all CySP students, any problems, or comments you would like to make?

- CySP students are strongly encouraged to take leading roles in the Cybersecurity Club, mentor new recipients, and be actively involved.

Students' Reports:

- Any outstanding issues that might affect your academic performance or approved graduation date?? Please also report on your portfolio and contributions to the program.

Questions??
