

April 17 2019

Cybersecurity Cross Curriculum Projects (1:10 – 1:50pm EST) and Ethical Hacking Labs (2:00 – 2:40pm EST)

Mark your calendar and come join us for CAE Forum! CAE Forum is a live, real-time, online, academic forum where members of the CAE community give non-technical presentations on topics of value to the CAE community. CAE Forum is about sharing your ideas, knowledge, and expertise to empower and strengthen our community. It's that simple. CAE Forum presentations are normally held on the third Wednesday of each month during the Fall and Spring semesters.

Date: April 17 2019

Time: 1:10-1:50pm ET

Topic: Cybersecurity Cross Curriculum Projects

Audience: Students, Professors, Govt.

Presenter(s): Haley Crabtree, Terra State Community College

Description: Terra State has made it their mission to have every student in all degrees leave Terra State with a knowledge and awareness of Cyber Security. How are we doing this? Join our forum where we will share cross-curricular ideas and projects we have set up with other degree areas such as psychology, hospitality management, and Health Information Technology.

Topic: Ethical Hacking Labs

Audience: Students, Professors, Govt.

Presenter(s): Haley Crabtree, Terra State Community College

Description: Following up to the discussion at the November CAE Community meeting, this presentation will discuss the 45 ethical hacking labs that were established at University of Wisconsin-Stout. This follow up will give attendees the opportunity to understand the steps that UW-Stout took to set up and make these labs a success. Specific topics this will focus on are: the design and development of these labs, as well as the lab infrastructure, and how UW-Stout shared these labs with 25 Technical Colleges in Wisconsin and Minnesota through a four-day workshop. Even if you missed the November introduction, please join us.

A recording of the live presentation will be available within 48 hours of the presentation at:
