

BE CYBER SMART

#CybersecurityAwarenessMonth

REGION 10 WORKFORCE DEVELOPMENT WEBINAR

DO YOUR PART, #BECYBERSMART

Now in its 18th year, Cybersecurity Awareness Month (CSAM) continues to raise awareness about the importance of cybersecurity across our nation. The Cybersecurity and Infrastructure Security Agency (CISA) and the National Cyber Security Alliance (NCSA) co-lead in a collaborative effort between government and industry to ensure all Americans have the resources they need to be safer and more secure online.

During this webinar, students and others interested in a career in cybersecurity will have the opportunity to learn from cybersecurity experts and academic advisors. They will go over on what things to consider and what pathways available within cybersecurity.

Opening Remarks: **Patrick Massey**, CISA Region 10 Regional Director

Moderator: **Justice Price**, [Nation Cybersecurity Alliance](#) and co-host for the CSAM

Panel Discussion:

Toni Benson, Deputy Associate Director, Cybersecurity Division, Cyber Defense Education and Training (CDET)

Dr. Corey Schou from Idaho State University and from a [National Centers of Academic Excellence in Cybersecurity \(NCAE-C\)](#)

Michael Hamilton, PISCES ([piscs-intl.org](#)) and CI Security ([criticalinsight.com](#))
