

CODEBREAKER

CHALLENGE

2025

NSA is always recruiting bright determined individuals to help protect our country!

ARE YOU UP TO THE CHALLENGE?

The Air Force Cyber Operations Squadron has discovered malicious activity and they are seeking to mitigate the threat to DoD networks worldwide by collaborating with NSA.

Stop them from infiltrating and sabotaging U.S. military operations by leveraging skills in:

- Reverse Engineering
- Vulnerability Research & Exploitation
- Cryptanalysis
- Forensics
- Programming

Who Individuals at U.S. Academic Institutions

What Annual NSA-themed Cybersecurity Challenge
