## Admission

Applications to the program are accepted for summer and fall; we recommend that applicants submit all materials by the end of March so that there is adequate time to secure a school placement. After that point, we cannot secure school placements for the following fall. We do not require GRE scores. To request information or to apply, please visit <http://www.iup.edu/graduate> ([click](#) on Graduate Admissions).

We base our admission decisions on the strength of the following:

- Goals statement—A short essay about why you are considering this certification and want to teach secondary English
- Official transcripts for previous colleges attended
- Two letters of recommendation
- A resume or vita (optional but recommended)
- The letters of recommendation should be recent (not older than one year) and should be from individuals who are familiar with your academic ability and potential as well as

your work with youth. Letters of recommendation that are specific and detailed tend to be the strongest.

### State Certification

There are three steps for Post-Baccalaureate students to follow for admission to the Certification

Track:

#### Step 1: Apply for Admission to the Teacher Education Program

To be admitted to the Educator Preparation Program, do the following—

- Apply and receive acceptance to the Post-Bac Program
- Have transcript review by Post-Bac coordinator and receive course requirement list based on transcripts.
- Meet with Post-Bac coordinator.
- Obtain all clearances by first setting up a Castle Branch account. Obtain ACT 34 Clearance, Act 151 Clearance, Act 114 Fingerprinting, Act 126 training, and Act 24.
  - ACT 34 is a check for past criminal activity and is required by Pennsylvania law for all people who work with children. It involves a record check by the State Police for Pennsylvania residents and also a fingerprint check by the FBI for out-of-state residents.
  - ACT 151 is a check for past child abuse activity and is also required by Pennsylvania law. Act 114, fingerprinting, is now required for teacher certification.
  - Act 24, report of arrest or conviction, must be printed out, signed, and placed in a sealed envelope. Schools are not permitted to allow anyone without these clearances to work in their setting.
  - Forms for these clearances are available in the Office of educator Preparation in 104 Stouffer Hall. You may register and pay for ACT 34 clearance online. An appointment for having fingerprints taken on campus can be arranged through the College of Education at the beginning of the field experience term. Your fingerprints must be registered in order for you to work in a school for both the internship and student teaching.
- You may also obtain the required forms online at the PA Department of Education website. There is a charge for each clearance check. Students who do not have clearances may not be admitted to EDUC courses until they obtain them, as required by Pennsylvania law.
- CastleBranch is an online management system that will allow you to upload, maintain, and access your clearances from any electronic device. In addition,

CastleBranch will monitor your clearance expiration dates and send individual renewal reminders.

- All candidates will be required to obtain a CastleBranch account. The information and directions for creating this account may be found on the LiveText General Forms page. Castle Branch's website is [https://www.castlebranch.com/online\\_submission/package\\_code.php](https://www.castlebranch.com/online_submission/package_code.php)
- Enter Package Code **IH40**
- Should you have questions after reviewing the CastleBranch information, please contact the Educator Preparation Office in 104 Stouffer Hall:  
College of Education and Communications  
Indiana University of Pennsylvania  
724.357.2485
- Submit an EDUC 542 placement application to the Educator Preparation Program in order to secure a school placement. The Post-Bac coordinator will discuss this process with you.
- Pass a Yearly TB Screening Test. The TB test (for tuberculosis) is required by the state of Pennsylvania for all people who work in schools. The test is offered free by the Center for Health and Wellness.

**IMPORTANT—A NOTE ABOUT CLEARANCES:** Once you have received your clearances, keep the original copy in a safe place (and make a copy) in case you need to present it when you enter the schools. Plan ahead; not having updated clearances can affect your placements. Each clearance may be paid with a certified check or money order; the clearances are good for one calendar year. **Please be aware, these clearances are also needed for student teaching, and should they expire before you begin your student teaching, you will need to reapply for current, up-to-date clearances.** You must have these clearances to complete both the internship Pre-Student Teaching and student teaching.

### **Step 2: Meet Eligibility Requirements for Student Teaching**

Once you have been admitted to the Teacher Education Program in the College of Education, you must meet the following eligibility requirements to begin student teaching and proceed to Step 2 (which occurs during your spring semester).

- Have a minimum GPA of 3.0
- Completed Step 1 (above)
- Completed all courses with a grade of C or higher
- Taken the Praxis II English Language Arts exam for admission to Student Teaching (5038). The PRAXIS content exams are required by state law and minimum scores are set by the Pennsylvania Department of Education. Scores must be reported to IUP.

**Please Note: If you fail the Praxis II exam, you may move on to student teaching, but you will not be able to earn your Instructional I Certificate from the state of Pennsylvania without passing the Praxis II 5038 exam.**

- Obtained current ACT 34, ACT 151, ACT 114, Act 24 clearances, Act 126 training, & proof of student liability insurance (In Castle Branch)
- Obtained Speech and Hearing clearances
- Passed updated TB test
- Submitted Step 2 electronic Live Text portfolio review as outlined in EDUC-542, including artifacts related to ISTE standards
- Filed a student teaching application with the Educator Preparation Program the semester before you plan to do your student teaching. Be sure to check in with the Post-Bacc Program Coordinator the semester before you student teach and complete the application for student teaching.
- You will need to register for ENGL 698 002 Student Teaching (6 credits).

### **Results of Step 2 approval: Ability to register for Student Teaching**

### **Step 3 - Application for Pennsylvania Teacher Certification**

Eligibility Requirements:

- Successful completion of Step 2

## Course Description for Clinical Courses

### **Pre-Student Teaching Field Experience—EDUC 542**

Pre-Student Teaching is required by the Pennsylvania Department of Education for secondary English teaching certification and part of the Post-Bac program at IUP. Such early experiences in schools enable the prospective teacher to connect the theories studied in on-campus courses with classroom contexts. All placements for Pre-Student Teaching are made by officials in the College of Education and Communications. During the fall semester, teacher candidates complete the required 95 hours of observation and participation in schools, create artifacts for their professional portfolios, and set goals for student teaching. The assigned supervisor will make one early contact with the mentor teacher. Later in the internship term, the assigned supervisor will observe the teacher candidate at least once during the 95-hour period. Students should not begin their placements until they have notified their supervisor.

### ***Pre-Student Teaching Application***

Accepted candidates will complete this application with the program director prior to EDUC 542.

***Pre-Student Teaching Meeting***

The teacher candidate must make arrangements with their mentor teacher prior to the beginning of their assignment. Mentor teachers are expecting to hear directly from you as soon as placements are made, typically over the summer. The Educator Preparation Program will send candidates an email when their placements is confirmed. Look on that email for the e-mail address of the mentor teacher, and send them an email, introducing yourself and asking if there is anything you can do to prepare over summer and when might be a good time to meet.

**Student Teaching—EDUC 641**

The fifteen-week student teaching experience is 6 credits at the graduate level and is the culminating experience for Pennsylvania state certification and completion of the secondary English certification at IUP. This experience complies with the Pennsylvania State, INTASC, and CAEP standards for teacher certification. Students enrolled in this course should have completed all course work requisite for the certificate in Teaching English, 7-12, have filed an application for student teaching, and have been accepted for placement in a school site with a cooperating teacher. Students doing this field experience must have current Act 34 (criminal record check), Act 151 (child abuse) clearances, Act 114 (Fingerprinting), Act 24 (report of arrest or conviction), and Act 126 training, and must have completed up to and including Step Two of the Three-Step Process for teacher certification, including passing the English specialty area exam. Students will also need to complete the Application for PA State Certification (see instructions on the College of Education website in Live Text and in the Student Teaching Handbook). Be sure to complete the necessary paperwork for student teaching. The application for student teaching can be found in the Student Teaching Handbook. Refer to the LiveText page for student teachers at <https://www.livetext.com/doc/11593062>.

***Student Teaching Calendar***

The student teaching calendar can also be found on the LiveText page for student teachers at <https://www.livetext.com/doc/11593062>. Please look it over carefully and plan accordingly. Student teachers are expected to be in the school whenever the school is in session. In-service participation may be required and is professionally enlightening.

***Student Teaching Handbook***

Before student teaching, all student teachers must download the Student Teaching Handbook on the LiveText page for student teachers at <https://www.livetext.com/doc/11593062>. Though some of the information included in the Student Teaching Handbook must be adapted for Post-Bac students, the majority of the information is relevant.

***Student Teaching Placement***

While student teaching, you will continue working with your mentor teacher from EDUC 542 in the same placement. Your university supervisor is the professor of record for your student teaching experience and will assign the grade given. He or she will act as liaison between the school and the university. Your university supervisor may or may not be a faculty member with whom you have had classes.

### ***Taking Courses While Student Teaching***

Taking courses while student teaching is discouraged and will be by approval only. Questions regarding this policy should be discussed with the Post-Bac Program Coordinator and with the Dean's Associate for Student Teaching. A request for permission form is available in the student teaching office in Stouffer Hall.

### ***Post-baccalaureate Student Teaching Policy for Long-term Substitute or Internship Experiences***

IUP post-baccalaureate students seeking teacher certification while completing an internship certificate or as a type 01 long-term substitute **in the subject area of their certificate** may have the supervised student teaching experience incorporated into the internship or long-term substitute service **as long as** the student teaching experience satisfies the criteria established in Chapter 354, as noted below:

1. The experience must include at least 12 weeks of full-time student teaching in the certification area and under the supervision of:
  - a. IUP Program faculty with knowledge and experience in the area of certification.
  - b. Cooperating teachers trained by the preparation program faculty and who have the following:
    - The appropriate professional educator certification.
    - At least 3 years of satisfactory certificated teaching experience.
    - At least 1 year of certificated teaching experience in the school entity where the student teacher is placed.
2. The experience must be completed AFTER all other sequenced coursework and program requirements are finished.
3. The internship or long-term substitute placement must be located in Pennsylvania.

## **Evaluation of Students**

For information regarding School of Graduate Studies and Research policies on grading, view the Graduate Catalog: [www.iup.edu/gradcatalog](http://www.iup.edu/gradcatalog)

## **Examinations**

### **Required Exams**

Students must take the Praxis II (English Language Arts Content Test 5038) before being cleared to student teach. You must pass this test before you can apply for and receive your Instructional I Certificate. It is required for PA state certification. Be sure to consult the Educator Preparation Program office as well as the ETS website for test dates and forms:

<https://www.ets.org/praxis/site.html>.

Information is also available online from the College of Education web site. The most current information may be found under “Forms and Documents.” To obtain teacher certification in Pennsylvania, English Education students at IUP must take the test as follows:

When should I take the English Praxis II test? You must take Praxis II prior to student teaching. We recommend taking the test in summer to give yourself enough time to take the test twice if needed. For further information about the Praxis II exam and to register, please go to the following link: <https://www.ets.org/praxis/prepare/materials/5038>

### Appendix B: Electronic Portfolio Step 2 Guidelines

At the end of EDUC 542 (or equivalent internship), students submit an electronic portfolio that includes evidence showing that they have met selected InTASC, NCTE, ISTE, and program standards. Evidence includes artifacts from coursework as well as particular assignments in EDUC 542. The e-portfolio also includes a home page, a teaching philosophy, and a standards page with links to artifacts. At the end of the internship, candidates meet with the supervisor, at which time the supervisor completes the e-portfolio Step 2 checkout. E-portfolios, which candidates place in Live Text, are forwarded to the Teacher Education Office in the College of Education and Communications along with final evaluations, providing evidence of candidates' completion of all internship and Step 2 requirements. The e-portfolio represents necessary components of portfolios (collection, selection, and reflection) and also serves as an assessment tool to indicate candidates' proficiencies while providing evidence for having met CAEP standards.
