# SOCIAL EQUITY & TITLE IX OFFICE

Title IX Coordinator and Title IX Deputy Coordinators connect students with support resources and provide information about disciplinary and legal processes.

The Title IX team addresses sexual assault, dating or domestic violence, sexual exploitation, stalking, and other issues including gender-based discrimination and sexual harassment.

The Title IX Coordinator is a resource to provide support. Meeting with someone from the Title IX team does not obligate a student to take additional action. We are here to help.
