You were assaulted and it's NOT your fault.

Get help and take care of yourself ❤

IUP Counseling Center

CC can provide confidential support, counseling, and advocacy.
Call 724-357-2621 or walk in M-F 8-4:30
ON CAMPUS

Not sure what to do?

You can call **Alice Paul House**, a confidential advocacy center in Indiana that is open 24hr/7 Days/wk to offer support and options for you after experiencing an assault.

724-349-4444

or 1-800-435-7249

OFF CAMPUS

IUP Health Service

HS can provide you with private, confidential medical care including a free medical exam, emergency contraception, STI/HIV prevention medication, STI testing, pregnancy testing, counseling resources, advocacy options and follow up care.

If you choose to go to IRMC ER, we can provide transportation M-F 8-4:30.

Call 724-357-2550 or walk in M-F 8-4:30 and talk to a trained staff member.

Health Service is a **confidential** office meaning we will not report your assault without your permission.

ON CAMPUS

IRMC ER

IRMC ER can offer emergency medical care, including medical exam, emergency contraception, STI testing, STI/HIV prevention medication, pregnancy testing, advocacy, and forensic examination/collection kit, drug and alcohol testing.

The ER will bill your insurance or may use Victim Compensation Funds for payment of services.

724-357-7121 -24hr/7 Days/Wk

The ER is **required** to report the assault to police but is your decision to pursue charges.

OFF CAMPUS

Considerations

- Physical evidence collection (Rape Kit) can be completed up to 5 days after a sexual assault
- Medications to prevent STI's and pregnancy can also be given up to 5 days after an assault (HIV prevention medication nPEP must be taken within 72 hours)
