I acknowledge and give permission for (Name of Minor Child) _____ to visit and stay overnight at the Indiana University of Pennsylvania from (Date) _____ to _____. I and my minor child have reviewed and understand all of the policies in place at IUP and the Office of Housing, Residential Living and Dining. In the event that there is a question, issue, or concern during this visit, I understand that I will be contacted by the University.

Please review the specific overnight quest policy (see below) and sign below indicating that you have read and understand the policy and that you are giving permission for your minor child to visit the Indiana University of Pennsylvania on the dates listed above.

Every guest is subject to University rules and regulations. The resident host agrees to monitor and accept responsibility for the behavior of her/his guests. Guests must be escorted by their hosts at *all* times.

The right to sleep, study, and privacy supersedes visitation privileges. Overnight guests, limited to two per resident, can visit for up to three consecutive days (72 hours) in the assigned room of the host on a space available basis, **only if there is advance consent** of all residents of the room and in accordance with the specific visitation policies established for that floor.

Anyone who visits a room that is not their own after 12:00 midnight and before 5:00am is considered to be an overnight guest.

The University reserves the right to deny access to any guest if it has been determined that such a person is disturbing, dangerous or disruptive to the residents or the facilities.

Individuals under the age of 18 and who are unaccompanied by their legal parent or guardian wishing to stay overnight are required to complete the Minor Visitation Form found on the IUP Housing Website (www.iup.edu/housing). This form must be completed and signed by a legal parent/guardian and should be presented to the front desk of the community in which they are staying.
