

DISTINGUISHED VISITING PROFESSORS APPOINTMENT

1. The University-wide Committee for Distinguished Visiting Professors will be constituted only at such time that it is needed. The Committee shall consist of six faculty members, one from each college, chosen by the APSCUF President in consultation with the University President, and two managers chosen by the University President in consultation with the APSCUF President.
2. Following its formation, the Committee will develop procedures for implementation of this agreement and criteria for determining a “truly competent and distinguished individual.” The procedures and criteria must be approved by local Meet and Discuss.
3. The President shall only appoint a candidate supported by a majority vote of the regular full-time faculty in the department, and only upon the recommendation of the University-wide Committee.
4. At any time during the process the President of IUP or the President of APSCUF may request to meet with the University-wide Committee.
