

DUO Enrollment *Mobile Device*

- First, download the “Duo Mobile” App to your smartphone (not to be confused with Google Duo).

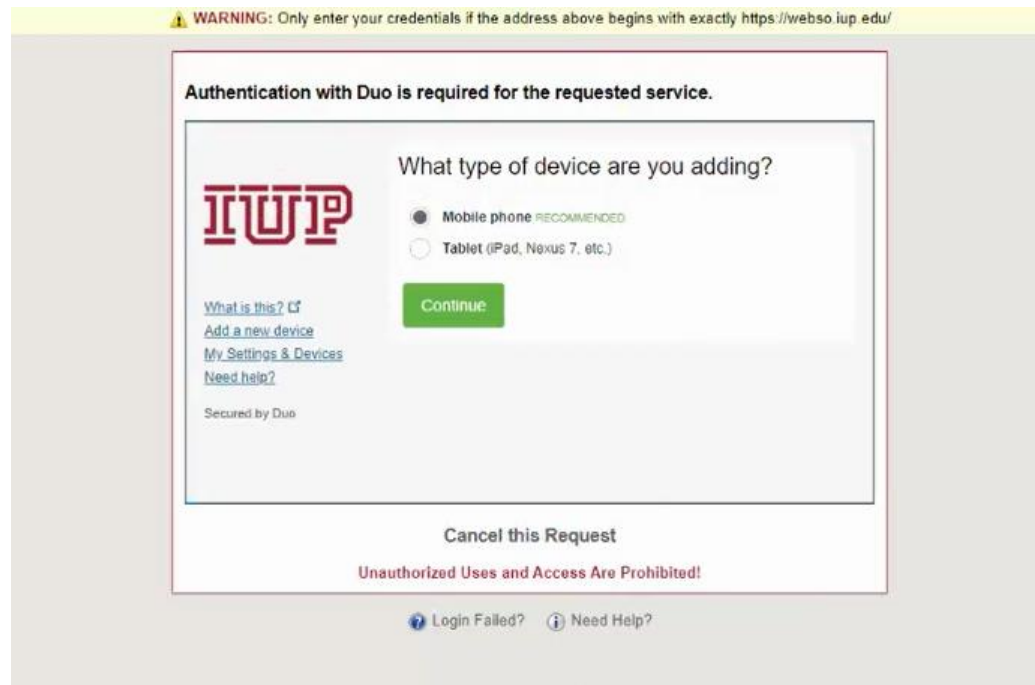

DUO Enrollment *Desktop*

- After logging in to a single sign-on service, you will get prompted to set up Duo.

DUO Enrollment *Desktop*

- Select the Type of Device you are enrolling. You will use this device to take a picture of the QR Code later in the process.

A screenshot of the Duo Enrollment Desktop interface. At the top, a yellow warning banner reads: "WARNING: Only enter your credentials if the address above begins with exactly https://webso.iup.edu/". Below this, a white box contains the text "Authentication with Duo is required for the requested service." and the IUPUI logo. The main heading is "What type of device are you adding?". There are two radio button options: "Mobile phone RECOMMENDED" (selected) and "Tablet (iPad, Nexus 7, etc.)". A green "Continue" button is below the options. On the left side of the white box, there are links: "What is this? C*", "Add a new device", "My Settings & Devices", and "Need help?". Below the links, it says "Secured by Duo". At the bottom of the white box, there is a "Cancel this Request" link and a red warning: "Unauthorized Uses and Access Are Prohibited!". At the very bottom of the interface, there are links for "Login Failed?" and "Need Help?".

DUO Enrollment *Desktop*

- Enter phone number and check confirm box.

WARNING: Only enter your credentials if the address above begins with exactly <https://webso.iup.edu/>

Authentication with Duo is required for the requested service.
