

IUP Spring Methodology Conference on Language Teaching

50 YEARS OF EXCELLENCE IN LANGUAGE TEACHING

CALL FOR PROPOSALS

April 16, 2027

Conference sessions may focus on any topic related to language pedagogy. Sessions should be non-language-specific and should feature **research-driven** practices that **showcase best teaching approaches applied in** any foreign language program. Language-specific examples may be used in the session. Proposals that include "hands-on" participation are strongly encouraged.

Your proposal (for a one hour session) should include:

- a session title
- outcomes for participants (take aways from the session)
- session content and procedures for an engaging session
- a 50-word session abstract for the conference program
- confirmation form submission

See you on April 16, 2027!

Don't miss this opportunity! Please submit proposals via our electronic form:

Deadline: October 1, 2026
