Minutes of 3 April, 2014 Meeting – Knoch/Sweeny motion to approve –

**III. Discussion**

The committee discussed the issue of W department (courses)/professors that have not turned in a revision proposal but are scheduled to teach a W section in fall 2014. The committee felt that we need to let the courses go as scheduled for the fall semester since students may already be registered. However, the department (courses)/professors will have to provide information on their progress before the fall semester begins and have completed the revisions (approved through Senate) by the end of Fall 2014 semester to continue to receive W status.
