

Minutes
LIBERAL STUDIES COMMITTEE
29 March, 2018

Curriculum

- Recommending Approval of MATH 121 for Liberal Studies Learning Skills
- Recommending Approval of MATH 115 for Liberal Studies Learning Skills
- Recommending Approval of MATH 151 for Liberal Studies Learning Skills
- Recommending Approval of MATH 105 for Liberal Studies Learning Skills
- Recommending Approval of MATH 101 for Liberal Studies Learning Skills
- Recommending Approval with revisions of MATH 217 for Liberal Studies Learning Skills
 - Would like to see the assessment tools variety for each outcomes and not just copied and pasted throughout.
 - In the Liberal Studies section that addresses contributions of women and racial minorities the word “African” is misspelled.
 - The following section on at least one non-textbook work needs to be included. It does not need to be a literary work but can be a collection of articles that pertain to the content.
- Recommending Approval BS Mathematics—revising to bring the Liberal Studies credits in the PASSHE required range.
- Recommending Approval BS Mathematics/Actuarial Track—revising to bring the Liberal Studies credits in the PASSHE required range.
- Recommending Approval BS Mathematics/Applied Math Track—revising to bring the Liberal Studies credits in the PASSHE required range.
