Total Degree Requirements: 120

(1) Students are encouraged to consider a minor in another department.

36-38 credits of Free electives are needed for graduation.

Special Requirements

- Each student must declare a primary performing medium. Those who elect voice as their primary instrument normally elect piano as a secondary instrument. Performance juries are held at the end of each semester. Students are expected to complete the requirements for their performing area and level. Piano proficiency is required in all degree programs.
- Ensemble participation of five hours a week is required each semester. Students are required to participate in at least one primary (major) ensemble on their primary instrument (including voice) and one secondary (minor) ensemble each semester. Primary ensembles include: Marching Band, Symphony Band, Concert Band, Symphony Orchestra, Wind Ensemble, Chorale, and Chorus. For guitar majors or other majors whose instrument is not included in these major ensembles, the department chair will assign alternative ensembles. Students may fulfill this departmental requirement by participating in either 1-credit or 0-credit ensemble(s). In meeting the degree requirements of 4-8 credits of ensemble credit, enrollment in credit-bearing ensembles is flexible across semesters.
- Students must register for MUSC 475 (Music Lab) and attend (1) departmental meetings or recitals, (2) all department and area recitals, and (3) eight campus recitals and concerts each semester in attendance.
