

Kopchick College of Natural Sciences and Mathematics

17TH ANNUAL WOMEN IN STEM SUMMIT

Monday April 4, 2022

12:00-3:00 PM

Toretti Auditorium, KCAC

Join us for light refreshments and networking 12-1 PM, followed at 1PM by presentation of the Patricia Hilliard Robertson Memorial scholarship, *Picture a Scientist* trailer viewing, and keynote speaker, Ms. Kelly Tretter. Students will present their research posters at 2PM.

“The Yeast Whisperer”: Ms. Kelly Tretter

Kelly Tretter is a microbiologist and Senior Quality Integration Manager at New Belgium Brewing. She holds a B.S. in Biology from Colorado State University and has 29 years of experience in the microbrewing industry, a rapidly growing sector of the restaurant economy. Ms. Tretter’s unique and applied career began with the development of rapid methods for the detection of beer-spoiling micro-organisms. Sometimes dubbed “The Yeast Whisperer”, Ms. Tretter is a regular speaker at industry conferences and a member of the American Society of Brewing Chemists.

Levity Brewing will be on site with door prizes including gift cards & store merchandise. They will also host Ms. Tretter at *Beer Skool*, “The Science & Magic of Sour Beers” April 6, 6-9 PM. For tickets, see <https://www.levitybrewing.com/events>
