Additional Majors and Minors _____

Please write legibly or, if you prefer, attach your answers separately:

1. Tell us why you feel that the study of Religion is important.

2. Describe the academic achievement of which you are most proud.

3. Describe any activities in which you have participated that you feel have contributed to an atmosphere of religious tolerance on campus and/or in the greater community.

4. Describe your participation in the life of the Dept. (Note: this could include attendance at extra-curricular lectures, exhibits, etc., as well as Departmental receptions.)

5. In detail, describe your plans for international study and how such study will contribute to your academic and personal development.
