Attention all potential internship candidates:

North Allegheny School District will be accepting applications for school psychology internship positions for the 2021/2022 school year. In addition to a stipend, qualifying interns will have the opportunity to receive licensed supervision. Interested applicants must apply through the District website under Careers at NA, via the following link: <http://www.applitrack.com/northallegheny/onlineapp/>. The position is listed as Intern. Applications are being accepted **from October 14th through December 23rd 2022**.

Interviews will be held in January/February 2023, with the expectation of making a decision that same month, pending Board approval.

Thank you for your interest,

Dr. Matthew Mascari
