ANNOUNCEMENT OF VACANCY

Comprehensive School Psychology Internship

Saucon Valley School District has an opportunity for a comprehensive school psychology internship in a small, suburban setting, with excellent supervision and opportunities to pursue one's particular interests. The intern will be provided with a broad range of school psychology experiences, including evaluating students (with high incidence and also low incidence disabilities), consultation, and opportunities to present and receive professional development. It is expected that intern applicants will have acquired the basic skills and education necessary to enter into school psychology practice, including an understanding of test administration (with a variety of tests), report writing skills (and special education regulations/laws), the ability to present findings to staff and parents, consultation skills, and the ability to develop rapport with students and staff. It is also understood that the intern will be open to receiving supervision to further develop skills as a school psychologist. A stipend will be provided to the chosen candidate. For consideration, please include the following attachments in the application process: Letter of interest, Resume, Transcripts, Sample evaluation report, Clearances, and Three letters of recommendation.

Please submit to:
