Unity Family Services is a PA Licensed Health Choice Mental Health Provider serving children and families in Armstrong, Beaver, Butler, Indiana, and Westmoreland Counties for over 20 years. We are an independently owned and operated agency who has grown significantly over the last 5 years. We promote our management and executive management from WITHIN the company as we believe the best people to supervise staff are ones that have done the job themselves.

Unity Family Services is currently hiring staff for our Indiana, Leechburg, and Beaver offices with a \$3000 sign on bonus!

Our therapists provide in-home structural family therapy to children, adolescents, and their family. We train our staff in this evidence based mental health therapy model which has been proven to reduce behaviors, improve family relationships, and keep children in their homes.

We have recently increased our salary tiers and reduced our billable expectations, and have a \$3000 sign on bonus plus an amazing benefit package including:

- UPMC Medical
- United Concordia Dental
- VBA Vision Insurance
- Free Licensure Supervision
- Company Cars
- Retention Bonuses
- Life Insurance
- IRA Retirement Program
- Short Term Disability
- Paid Training
- Bonuses and Incentive Programs
- Cell Phone Stipend
- PTO and Holidays

We are seeking candidates with active clearances and either a Bachelor's or Master's degree with some experiencing working or volunteering with children.
