

Research Appreciation Week 2015

SCHEDULE OF EVENTS April 6-11

MONDAY, APRIL 6, 2015

21ST Annual Awards Luncheon

11:30am-1:00pm, Blue Room, Sutton Hall

This invitation-only event recognizes and celebrates outstanding research by faculty and graduate students and commitment to sponsored research by faculty and staff.

How the Applied Research Lab Can Help You With Your Research Questions*

1:00pm-2:00pm, HUB Susquehanna Room

IUP faculty, students and staff are invited to meet the ARL graduate lab assistants and learn how they can help you with your research. The focus will be on the most common requests--declaring a testable hypothesis, determining what testing to use, data collection and how to get samples, and organizing data for analysis.

10th Annual Women in Mathematics, Science and Technology Program

4:30pm-6:00pm, Weyandt Hall, 1st Floor

Join the College of Natural Sciences & Mathematics for a poster session presenting research of IUP's women in STEM fields. The student awards ceremony is scheduled for 5:30pm in 107 Weyandt.

TUESDAY, APRIL 7, 2015

Undergraduate Scholars Forum

8:00am-4:00pm, HUB and Cogswell Hall

Stop by to see the undergraduate research posters and presentations. Please see www.iup.edu/undergradscholars for details.

WEDNESDAY, APRIL 8, 2015

Graduate Scholars Forum

9:00am-12:00pm, HUB and Cogswell Hall

Stop by to see the graduate student research posters and presentations. Please see www.iup.edu/gradscholars for details.

Scholars Forum Awards Ceremony

1:30pm-2:30pm, HUB Ohio Room

Join the university provost and college deans as we recognize the outstanding research and scholarship of IUP students and announce this year's Undergraduate and Graduate Scholars Forum award winners.

THURSDAY, APRIL 9, 2015

IUP Research Institute Open House

1:30pm-3:30pm, 1179 Grant St, Suite 1

Meet the RI staff, talk about your research support needs, let us help you find funding opportunities, or just learn more about externally sponsored activities. Hors d'oeuvres will be served.

Science Inspires Series, presented by the College of Natural Sciences & Mathematics

3:30pm-4:30pm, Eberly Auditorium

"It's that time of day again, Biological Clocks and Psychiatric Disorders," Dr. Colleen McClung, (University of Pittsburgh); public reception in Eberly Atrium will follow the lecture.

FRIDAY, APRIL 10, 2015

Publishing Coffee House

11:30am-1:00pm, Stapleton Library-Java City

The pressure is on to publish and IUP Libraries is here to help! Selecting the appropriate publisher to submit your manuscript to, and following their publication

guidelines, are first steps in getting your research journal article or book published. Interested in exploring tools and techniques to find an appropriate publisher? Want to consider whether you wish to retain your author's rights? If so, come join the IUP Librarians at Stapleton Library's Java City area for coffee and information on how to utilize the library's resources to help guide you in the process.

What is Plagiarism and How Do I Avoid It?*

12:00pm-1:00pm, 201 Stabley Library
or Online through Blackboard Collaborate on Thursday, April 9, 5:30pm-6:30pm

This workshop will focus on the different types of plagiarism that is often found in theses and dissertations. Areas of focus will include self-plagiarism, paraphrasing versus quoting, and proper in-text citations/references.

Funding Opportunities for Graduate Students*

1:00pm-2:00pm, 201 Stabley Library
or Online through Blackboard Collaborate on Thursday, April 9, 6:30pm-7:30pm

Funding is available to graduate students through a variety of sources, both within IUP and externally.

SATURDAY, APRIL 11, 2015

Circadian Genes, Rhythms, and the Biology of Mood Disorders: CPUB Keynote Address

10:00am, Pratt Hall Auditorium

The Biology Department presents distinguished speaker Dr. Colleen McClung, from the University of Pittsburgh. IUP is the site of the 46th Annual Meeting of the Commonwealth of Pennsylvania University Biologists (CPUB). The 2015 CPUB meeting is scheduled for the weekend of April 10-11, 2015.

*Watch for more information on these SGSR workshops via e-mail.
