

Indiana University of Pennsylvania Annual Report 2008-2009

Summary of External Grant and Contract Activities

**IUP Research Institute on behalf of
The School of Graduate Studies
and Research**

The Year in Review

FY 2008-2009

The *Annual Report of the IUP Research Institute and the School of Graduate Studies and Research* summarizes externally funded grants and contracts for the year of July 1, 2008 – June 30, 2009. This report, in addition to listing proposal activity, is designed to recognize all IUP faculty and staff members who dedicated their time and talents to seek external funds for their research, teaching and creative activities. The accomplishments in this report represent the outstanding commitment on the part of faculty and staff to advance research, teaching and public service missions of the University through external funding.

Indiana University of Pennsylvania and the IUP Research Institute jointly administer extramural grants and contracts. The IUP Research Institute is a 501c(3) (tax exempt) organization that operates independently for the benefit of Indiana University of Pennsylvania, faculty members and staff under the terms of the Affiliation Agreement (2003). Currently, the IUP Research Institute utilizes the U.S. Department of Health and Human Services negotiated, IUP Facilities and Administration Rate (42.5%) for all externally funded grants and contracts.

External Funding

The combined amount awarded to IUP and the IUP Research Institute is \$14,734,392 for FY2008-2009. This amount represents a net decrease in funding of \$705,950 from the 2007-2008 fiscal year.

In the period July 1, 2008 – June 30, 2009, IUP faculty and staff submitted 278 new proposals (compared to 217 in 2007-2008) and received 204 grant and contract awards, an increase over 2007-2008's 190 awards. The ratio of grants awarded to proposals submitted was 72.5%. The awarded amounts include \$1,222,920 in indirect (Facilities & Administrative) funds.

The body of this report provides data on proposals and awards submitted by Indiana University of Pennsylvania (IUP) and the IUP Research Institute (RI) by college.

How to Read this Report

Although the IUP Research Institute is generally responsible for overall administration of all grants and contracts for the university, external funding is also awarded directly to IUP. This report includes a summary of proposals by institution, academic unit, and a listing of proposals submitted by university faculty and staff. Subtotals are provided for IUP and the IUP Research Institute in all sections. If you cannot locate a particular proposal, please look in both the IUP and the IUP Research Institute portion of each section.

Additional information about external grants and contracts is available from the IUP Research Institute, 1179 Grant St., Suite One, Indiana University of Pennsylvania, Indiana, PA 15701. Phone: (724) 357-2223. Web site: <http://www.iup.edu/researchinstitute>.

Special Thanks

All research administration staff members at both the IUP Research Institute and IUP wish to express special thanks to all faculty, staff and administrators who continue to seek external sponsorship for their research, teaching, service and creative interests.
