PART IV - STUDENT STATEMENTS

42. RELEASE OF INFORMATION

The Privacy Act requires that we notify you of other routine uses of the information we collect from you. You should know that if you leave school, we might provide your name, address, and phone number to the U.S. Army Recruiting Command. This is done because the Active Army, Army Reserve, and National Guard want and need intelligent young men and women. They also have programs which might help you return to college. The transfer of information to the Recruiting Command means that, if you drop from school, you may receive information in the mail or be called by an Army Recruiter. You are under no obligation to accept the mail or to talk to the recruiter.

I have read and understand the above statement concerning data required by the Privacy Act of 1974.

Verification of the following statements is required in order to assist in establishing eligibility to participate in the ROTC program. Failure to provide a response will preclude further processing as an enrolled cadet. Failure to provide an accurate or truthful response is grounds for barring entry into the SROTC program or for the initiation of disenrollment action. Your signature at the bottom of this page will attest to the accuracy of your responses on this form.

43. STATEMENT OF CRIMINAL PROCEEDINGS BY CIVIL OR MILITARY AUTHORITIES

I have not been indicted or summoned into court under civilian or military law as a defendant in a criminal proceeding, to include any and all proceedings involving juvenile or adult criminal offenses, but excluding minor traffic violations (Exception: alcohol-related driving offenses) which involved a fine or forfeiture, alone, of less than \$250. I have not had 6 or more minor traffic violations (excluding parking violations) in a 12-month period where the fine is \$100 or more per offense. I have not had 12 or more minor traffic violations (excluding parking violations) during the previous 3 years where the fine is \$100 or more per offense. I have never been convicted, fined, imprisoned, placed on probation, paroled, or pardoned (to include alcohol violations and misdemeanors), except for minor traffic violations as defined above. I will advise the Professor of Military Science of any future information pertaining to any changes of criminal conduct against myself and I shall do so as soon as practical under the circumstances. Records that are expunged, sealed, set aside, dismissed, or original findings or pleas changed STILL require a waiver.

45. RELIGIOUS ACCOMMODATION

The U.S. Army cannot guarantee that my religious practices will be accommodated. I acknowledge and understand that it is the Department of the Army's policy to accommodate religious practices as long as the practice will not have an adverse impact on military readiness, unit cohesion, standards, health, safety or discipline. I further acknowledge and understand that the U.S. Army has the right to amend or eliminate any such accommodation based on the needs of the Army.

I have read and understand the above statement concerning accommodation of my religious practices.

46. CONSCIENTIOUS OBJECTION

If you have moral convictions that preclude you from bearing firearms and/or participating in full military service with the U.S. Army, to include armed combat, then you are a conscientious objector.
