

Cocalico School District is in need of a School Psychologist for the second half of the school year, from around January 2019 through the end of the school year. The pay is pro-rated according to a first year starting teacher salary. We are having great difficulty finding anyone through our usual routes, and thought you may know of some December graduates or former graduates who are still looking for positions.

If so, interested candidates should **send a complete packet** ** to:

Dr. Ella Musser, Superintendent
Cocalico School District
PO Box 800
Denver, PA 17517

*** A **complete packet** will include: letter of interest; resume; copy of completed PA Standard Teacher Application or PA-Education Application (through [http://www.pa_educator.net]); and copies of certification, transcripts, letters of recommendation, and Acts 34, 114, and 151 clearances.*

***Electronic submissions** containing attachments of the aforementioned documents may be sent to: [[http://sherry_luttrell@cocalico.org](mailto:sherry_luttrell@cocalico.org)], Director of Human Resources.*

Dr. Beth Haldeman
Assistant to the Superintendent for Curriculum and Instruction
Cocalico School District
717-336-1412
