School Psychology Internship

The Mechanicsburg Area School District, a progressive 4500+ student suburban school district near Harrisburg, PA, is seeking applicants for an anticipated 1,200 hour school psychology internship opportunity for the 2020-2021 school year. The successful candidate will be required to carry out a multi-faceted, diverse, and traditional role. Among other things, responsibilities will include: participation in a multi-tiered MTSS model, SAP intervention planning meetings, eligibility determination evaluations, instructional and behavioral consultation, school-to-career transition planning, counseling, benchmark administration, facilitation of small groups, and parent and staff trainings. The internship will include interaction with regular and special education students, parents, and teachers in grades Pre-K through 12, and the opportunity to work with other school psychologists.

Stipend: \$10,000 (plus mileage; no additional benefits)

- **For additional information regarding the internship, please contact:**
