

School Psychology Internship Announcement

The Pittsburgh Public Schools is pleased to announce our internship program for the 2020-2021 school year.

We will be seeking qualified School Psychology Interns to work as an integral member of the Psychological Services Department. Specific aspects of our internship will include but are not limited to the following:

- Management of all Psychological Services, under supervision, for one school building.
- Participation in the continuum of school psychological services including professional staff development, pre-referral consultation, counseling, psychological evaluations/re-evaluations, and consultation for Individualized Education Plans.
- Completion of Equitable Participation evaluations throughout the district.
- Participation in evaluations throughout the district to provide a breadth of experience, as well as the potential to develop in depth evaluation skills tailored to the intern's interest.
- Consultation and evaluation for our English Language Learners center.
- Participation in professional development and team-based problem solving for district-level initiatives.
- Provision of Counseling as a related service (individual and small-group) within Emotional Support programs.

The School Psychology Intern will receive an anticipated stipend of \$20,000, paid evenly over a 10-month period from September, to June. Required hours will follow the school calendar with traditional holidays off. Interns will be supervised by a Nationally Certified School Psychologist.

Application packets need to contain resume, transcripts, and two letters of recommendation. Materials may be sent electronically to the below email address, or via mail to:
