16A Leonard Hall

- I. Call to Order
Present: Craig, Hannibal, Hyde, Intemann, Lewis, McCombie, Mensch, Metz, Migyanka, Numan, Potts, Sechrist, Widdowson
Excused: Turner
Unexcused: Crocker, Krastin
- II. Approval of Minutes from October 20, 2009 Curriculum Committee Meeting on a Migyanka/Metz motion
- III. Co-Chairs Report
A. Sechrist asked the committee to consider whether, as Liberal Studies Revisions criteria come forward to UWUCC, letters of support are necessary from the departments affected. On a Hannibal/Potts motion, the committee agreed that “Letters of support for the discipline-specific Liberal Studies criteria should be included with the proposals.”
- IV. Items for Review/Possible Action:
- A. Honors College Committee Report:
- No report
- B. Liberal Studies Committee Report:
- 09-28 GEOG/RGPL 103 Cities of the World: Issues in Planning and Development was approved. The UWUCC accepted this report.
- C. 09-23c MIDL 315 Adolescent Development and Classroom Management, new course
Returned on a Lewis/Potts motion. Hannibal abstained. While the UWUCC understands that current PDE requirements have put pressure on courses to include considerable content, we feel that the objectives for this course, as written, can not effectively be met in a single, 3 credit class. Sechrist and Metz volunteered to meet with PSE Department representatives.
- D. 09-10a COSC 316 Host Computer Security, course revision, catalog description change
Delete “The course” wherever it is in the course description. Replace “3sh” with “3cr.” Percentages on exams don’t add up to 45%. Provisionally approved on a Craig/Lewis motion.
- E. 09-10b COSC 356 Network Security, course revision, catalog description change
Delete “the course” in the course description. Change “3sh” to “3cr.”
Approved on a McCombie/Lewis motion.
- F. 09-24i MATH 413 Methods of Teaching Mathematics at the Middle Level, new course
Provisionally approved on a Hyde/Migyanko motion. Metz abstained. Change “sh” to “cr,” correct pre-requisite number for “310” (it’s no longer MIDL 112). Delete paragraph at “framework” preceding outcomes. Reword catalog description.
- G. 09-24j MATH 153 Elements of Algebra, new course
Provisionally approved on a McCombie/Lewis motion. Add “computer technology” to Outcome 8. Prep and teaching are all in the 3 hrs designated for field work.
