Meeting ID: 985 2157 8965

In attendance: Black, Cercone, Dassier, Engelstad, Fair, Grace, Greenawalt, Katchmarchi, Lewis, Minnick, Muchtar, Racchini, Reilly, Sechrist. Excused: Ali, Sobolewski

- I. Call to Order: Meeting began at 3:30pm, called to order by G. Sechrist.
- II. Approve minutes from October 27, 2020
Approval of minutes as submitted on a Greenawalt/Fair Motion.
- III. Co-Chair's Report: Concerns about slowing down the curricular approval process were discussed at the emergency APSCUF Representative Council meeting. Longtime union members said that it would be appropriate to rescind IUP curricular approval from the Senate, as was done when Atwater was president. A formal motion is being brought forward to Thursday's Representative Council meeting to rescind curricular approval from Senate and to bring it to Representative Council meetings instead. Our committee would operate as usual just changing the body to which we report.
- IV. Liberal Studies: No Report.
- V. Items for Consideration and Possible Approval
 - a. 20-181 MGMT 330 Operations Management, course title change (was Production and Operations Management)
Approved on a Black/Dassier Motion.
 - b. 20-182a Human Development and Family Science, BS, variability of delivery
Approved on an Engelstad/Black Motion
 - c. 20-182b Human Development and Family Science, BS program revision, credit hour change
 - EDEX 114 words in the title are abbreviated on new side of side by side.
 - Missing period in section (2) Program Revision rationale.
 - the current catalog description in the proposal does not match the electronic catalog
 - suggest putting it as the proposed description and to put the current description from electronic catalog as the current (by the dates used it is an earlier version).
 - CDFR 429 was approved at the Nov. 2018 Senate meeting to go from 4cr to 3cr [it was changed in the 19-20 catalog], but when the information was entered into the

online catalog it was entered as 4 credits. [Proposer was given the correct person to contact and this has been corrected]

Provisionally Approved on a Greenawalt/Racchini Motion

d. 20-183 PHYS 332 Electricity and Magnetism I, course deletion

Approved on a Racchini/Fair Motion

Discussion of Proposed IUP Guidelines on Course Overlap Between IUP Academic Programs
rewording

Cercone presented the proposed guideline changes. Discussion ensued. The committee suggested there should be clarity regarding the goals of a minor, certificate, track and specialization. Additionally, the word 'articulate' should be removed and replaced with wording such as 'embedded' or 'scaffolded.' Cercone to bring updated version to the next meeting after consulting with the Graduate Committee.

Meeting ended at 4:15pm

Respectably Submitted by,

Wanda Minnick
