- I. Call to Order
 - II. Co-Chair's Report -- The proposer for SPLP said that the courses being deleted could be deleted now as long as the other proposals are approved. The English and Foreign Language departments both agreed to the cross-listing of 442 Cross Cultural Communication. Letters of support from the two chairs were attached to the proposal. The Spanish Certificates had been approved by TECC so they are back on today's agenda. Initially there was not a quorum, so those present reviewed the proposals until a quorum was achieved and then there was a review of the proposals already discussed.
