This proposal is being submitted for two reasons: 1) To comply with the proposed program revisions for the MA in Adult and Community Education and the track in Instructional Design and Technology (being submitted separately) in which the credit hour requirement for the thesis option is being changed from three to six credit hours. 2) To allow students to comply with the new Graduate School policy of continuous enrollment for thesis students.</p>
(C) Implications of the change on the program, other programs and the Students:*	<p>1) There are no implications of this change for other programs.</p> <p>2) There are no implications for current students. The change will ultimately benefit students electing the thesis option as it will recognize the extensive work required to do a thesis.</p> <p>3) The total number of credits required for graduation is not affected by this change so there are no implications for the program.</p>
