Part II. Description of the Curriculum Change

1. An exact statement of what is to be deleted.

The course listing for ENVH 481 Special Topics is to be deleted.

2. Justification/Rationale

The B.S. in Environmental Health Science is being revised to a B.S. in Biology / Environmental Health Track. All ENVH course listings are no longer needed and will be deleted as part of this program revision. ENVH 481 Special Topics is cross-listed as BIOL 481 Special Topics which will be retained.

3. ENVH 481 is currently a controlled elective for a B.S. in Environmental Health Science. Students currently enrolled in this program can take BIOL 481 in lieu of ENVH 481.

Part III. Letters of Support or Acknowledgement

The Departments of Chemistry, Geography and Regional Planning, Geoscience, Management, Political Science, and Safety Sciences have submitted letters of support for the B.S. in Biology / Environmental Health track proposal including deletion of ENVH 481.
