Department Chairperson

Gay L. Buterbaugh 3/13/90

~~Dean's Advisory Council~~ College Curriculum Committee

AKatz 3/16/90

College Dean

William L. Cole

Please delete the following courses from all lists of current IUP course offerings. Note that all of these courses have already been deleted from the catalog and the Curriculum Committee is not aware of their precise titles. We composed this memo in response to a request from Richard Chamberlin who informed us that this procedure is necessary at this time.

INDIANA UNIVERSITY OF PENNSYLVANIA
SENATE CURRICULUM COMMITTEE B-2

REQUEST TO DECLARE COURSES INACTIVE

Department: COMPUTER SCIENCE

Person to Contact for Further Information: John A. Cross, X4478

Courses Affected: Listed below

Desired Effective Semester for Change: SPRING 1990

Approvals: Department Committee Chairperson

John A Cross 2/28/90

Department Chairperson

Gary L Buterbaugh 3/13/90

Dean's Advisory Council

AKatz 3/16/90 College Curriculum Committee

College Dean

William G. Cole

Please place the following courses in "inactive" status. We want them to be left in the catalog. However, we do not plan to teach either of them in the near future.

CO 370 Computer Resource Management

CO 470 Computer Security and Fraud

Please continue the following courses as "inactive". They are no longer in the Undergraduate or Graduate catalogs. We do not plan to teach either of them in the near future, but we want to "hold on to the course number."

CO 402/502 Computers in Education

CO 601 Introduction to Computer Science
