## Curriculum Proposal Cover Sheet - University-Wide Undergraduate Curriculum Committee

|                             |                  |
|-----------------------------|------------------|
| Contact Person              | Email Address    |
| Dr. Carmy Carranza          | carmycgc@iup.edu |
| Proposing Department/Unit   | Phone            |
| Learning Enhancement Center | (724) 357-2729   |

Check all appropriate lines and complete information as requested. Use a separate cover sheet for each course proposal and for each program proposal.

### 1. Course Proposals (check all that apply)

☐ New Course                      ☒ Course Prefix Change                      ☐ Course Deletion  
☐ Course Revision                      ☐ Course Number and/or Title Change                      ☐ Catalog Description Change

|                                                     |                                                                   |
|-----------------------------------------------------|-------------------------------------------------------------------|
| 095                                                 | 095                                                               |
| LRNC Introduction to College Math II                | LRNC Introduction to College Math II                              |
| <u>Current</u> Course prefix, number and full title | <u>Proposed</u> course prefix, number and full title, if changing |

### 2. Additional Course Designations: check if appropriate

☐ This course is also proposed as a Liberal Studies Course.                      ☐ Other: (e.g., Women's Studies, Pan-African)  
☐ This course is also proposed as an Honors College Course.

### 3. Program Proposals

☐ New Degree Program                      ☐ Catalog Description Change                      ☐ Program Revision  
☐ New Minor Program                      ☐ Program Title Change                      ☐ Other  
☐ New Track

Current program name

Proposed program name, if changing

### 4. Approvals

|                                          |                    | Date     |
|------------------------------------------|--------------------|----------|
| Department Curriculum Committee Chair(s) | STACEY W. W. STEAD |          |
|                                          | Stacey Winkler     | 10/23/02 |
| Department Chair(s)                      | CARMY CARRANZA     |          |
|                                          | C. Carranza        | 10/25/02 |
| College Curriculum Committee Chair       | Randy H. Lusk      | 11/07/02 |
| College Dean                             | [Signature]        | 11/07/02 |
| Director of Liberal Studies *            |                    |          |
| Director of Honors College *             |                    |          |
| Provost *                                |                    |          |
| Additional signatures as appropriate:    |                    |          |
| (include title)                          |                    |          |
| UWUCC Co-Chairs                          | Gail S. Schmitt    | 11/12/02 |

\* where applicable

## **Part II.**

## **Description of Curriculum change**

- 1. A complete catalogue description including the course name, class and lab hour designation, number of credits, the prerequisites, and the new course description.**

### **NEW:**

|                                          |                  |
|------------------------------------------|------------------|
| LRNG 095 Introduction to College Math II | 3 class hours    |
|                                          | 0 lab hours      |
|                                          | 3 semester hours |
|                                          | (3c-0l-3sh)      |

Prerequisite: A student may not register for this course after successfully completing any course offered by the Mathematics Department, without written approval of the Learning Enhancement Center director.

Introduces beginning algebraic concepts, including signed numbers; rules and properties of equations; exponents; polynomials; factoring; algebraic fractions; graphs and linear equations, inequalities, and radical expressions. Carries institutional, nondegree credit, and attendance is required.

- 2. A listing of the proposed change giving the old catalog description and the revised description.**

### **OLD:**

|                                          |                  |
|------------------------------------------|------------------|
| LRNG 095 Introduction to College Math II | 3 class hours    |
|                                          | 0 lab hours      |
|                                          | 3 semester hours |
|                                          | (3c-0l-3sh)      |

Prerequisite: A student may not register for this course after successfully completing any course offered by the Mathematics Department, without written approval of the Learning Center director.

Introduces beginning algebraic concepts, including signed numbers; rules and properties of equations; exponents; polynomials; factoring; algebraic fractions; graphs and linear equations, inequalities, and radical expressions. Carries institutional, nondegree credit, and attendance is required.

- Change in prefix.
- Editorial change in catalogue description.

- 3. Justification/rationale for the changes.**

- See rationale for change in department prefix.
- Editorial change in catalogue description is due to a change in department name.
