## PART II. DESCRIPTION OF THE CURRICULUM CHANGE

1. Exact Description of what is to be deleted.

ECON 483 Honors in Economics

2. This inactive course is being deleted to free up the number 483 so that the UWUCC can establish 483 as the university's standard number for undergraduate honors theses.
3. The old ECON 483 is an inactive course that has not been used for at least ten years. Its removal will not affect current or future students. It is expected that the new university-wide thesis number will be activated for current and future economics majors.
