Rationale for Proposed Changes (All Categories)											
Why is the course being revised/deleted:		GRMN 152 German II (3 credits) has been replaced by GRMN 102 Elementary German (4 credits). In 2012, the German section of the Department of Foreign Languages redesigned the Elementary and Intermediate language sequence to be consistent within the Department of Foreign Languages. Three 4-credit courses replaced the original four 3-credit courses. GRMN 152 German II is thus no longer needed. Deleting the course will free up the GRMN 152 designation to be used for future new course development, if needed.									
Implication of the Change on: - Program - Other programs - Students		No programs will be aff
