Part II. Description of Curriculum Change

Catalog description

SPAN 383 Geography and History of Spain

3cr

3c-01-

Prerequisites: SPAN 230 or equivalent or permission

Introduces a panorama of Spanish physical, social, and economic geography, including the recent autonomic division of the country and the communication among the autonomies. Also reviews the history of Spain from the fifteenth century to the present with special emphasis on today's Spanish institutions.

The proposed change is to remove SPAN 260 as a prerequisite and to make an equivalent to SPAN 230 a possible prerequisite. The old catalog description was:

SPAN 383 Geography and History of Spain

3cr

3c-01-

Prerequisites: SPAN 230 and 260 or permission

Introduces a panorama of Spanish physical, social, and economic geography, including the recent autonomic division of the country and the communication among the autonomies. Also reviews the history of Spain from the fifteenth century to the present with special emphasis on today's Spanish institutions.

Justification/rationale for the change:

The Department of Spanish determined that students who had taken SPAN 230 or earned credit for its equivalent were sufficiently prepared to take the courses in the Pennsylvania-Valladolid Program. SPAN 260 is a prerequisite for 300-level culture and civilization courses offered by the department on campus.
