Rationale for Proposed Changes	
(A) Why is the program being revised?*	**The department is reducing the number of tracks for the BA in Geography from five to three. The enrollment in the Energy Geotechnology/Energy Environmental Compliance Concentration has fallen as have the enrollments in the General Geography and Economic Geographer Concentrations. The Economic and General Geography Concentrations are being combined into a Human Geography Track, while the Energy Concentration is being merged into the Environment/Energy Track.** **This proposal is to delete the old concentrations of General Geography, Energy Geotechnology/Energy Environmental Compliance, and Economic Geographer.**
