## **Course Title Change**

### **Part II. Description of Curriculum Change**

#### **1. Catalog description:**

**EDUC 455 Teaching of Social Studies in Secondary Schools 3c-01-3sh**

**Prerequisite: Admission to Teacher Education**

**A study of modern methods and techniques for teaching social studies and of current curricula in social studies.**

- 2. Old title - EDUC 455 Teaching of Social Science in Secondary Schools  
New title - EDUC 455 Teaching of Social Studies in Secondary Schools**

#### **3. Justification:**

**Changing the title of the course brings the course in line with the new degree title and the new Pennsylvania Department of Education certification requirements. The PDE split social science education into two certifications, Citizenship Education and Social Science Education. Since our program prepares students for Citizenship Education, we wanted to avoid confusing our program with the Social Science certification program. Consequently, we changed the title of the degree from Secondary Social Science Education to Secondary Social Studies Education. The new title of the course corresponds to both the PDE certification requirements and the degree title change.**
