Liberal Studies

Part II. Description of the Curriculum Change for CNSV 281 Special Topics

1. An exact statement of what is to be deleted.

CNSV 281 Special Topics

var-1-3cr

Prerequisite: As appropriate to course content

Offered on an experimental or temporary basis to explore topics not included in the established curriculum. A given topic may be offered under any special topic identity no more than three times. Special topics numbered 281 are offered primarily for lower-level undergraduate students.

2. Justification/Rationale

The Consumer Services (CNSV) program/degree has been eliminated, and courses with the CNSV prefix are being submitted for a prefix change to FCSE. FCSE 281 Special Topics already exists. There are no students in the CNSV program who would be affected by the deletion of this course.

3. A description of how this change will affect existing courses, programs, etc. and how the deletion(s) will affect students currently enrolled in the program.

CNSV 281 is not a prerequisite for any course and deleting the course will not affect other courses or programs. The CNSV program was eliminated, so no students would be affected by the deletion of this course.
