IV. DESCRIPTION OF CURRICULUM CHANGE

(Attach remaining parts of proposal to this form).

#### PART IV. DESCRIPTION OF CURRICULUM CHANGE

1. Catalog description for Fashion Merchandising Major.  
See attached sheet.
2. Summary

The Consumer Services Department proposes to delete the courses that comprised the former College of Human Ecology Requirements substituting courses that better meet the objectives of the major. The number of semester hours required will be unchanged. Specifically:

<u>Delete</u>	<u>Shift to "Major</u>
HE218 Child Devel. OR	<u>Electives" Segment</u>
HE224 Mar. & Fam. Rel.	Add 6sh to the Fashion
	Merchandising elective
FN212 Nutrition OR	requirement to include
FN451 Man and Food	CS465 Interior Lighting

#### Rationale for Change

The change in the Fashion Merchandising Major reflects the need to better meet the objectives of the major as evidenced by survey of alums and professionals in the field. The current requirements reflect the former College of Human Ecology requirements.

#### Table of Comparison

See attached current check out sheet and proposed revision sheet.

#### IMPACT ON STUDENTS

Students currently enrolled who have completed the requirements under consideration may use them to meet graduation requirements; others will take the new required courses. There is no effect on the number of semester hours required for graduation.

#### V. LETTER OF SUPPORT

Sign-off letters from Dr. Ruth Browning, Chairperson, Home Economics Education Department; and Dr. Joanne Steiner, Chairperson, Food and Nutrition Department are attached.

#### VI. COURSE PROPOSALS

No course proposals for new courses added as a result of this program revision.
