Dr. Gary Buterbaugh, Chair
University-Wide Curriculum Committee

The History Department requests that the UWCC approve a change of the date upon which the revision of the History track of the Social Studies Education major is to become effective.

When this program was submitted last spring, we were given the impression that approval would come too late for inclusion in the 1991-92 catalog. For this reason we made date for formal implementation summer, 1992.

To our happy surprise, Dr. Duntley was able to include the new program description in the 1991-92 catalog. Since this is the document which will guide incoming freshman through the program, we are asking that the revision be made effective beginning in summer, 1991, rather than summer, 1992.

Thank you for your consideration.

Neil B. Lehman, Chairman
History Department
