Part II Description of the Curriculum Change

1. Catalog Description:

Course Description: JRNL 493 Internship var-6-12cr — On-the-job training opportunities in journalism and related areas. Maximum of 6 cr may be applied to 30 cr minimum of major. Prerequisites: JRNL 102, 105, 220, 328, department approval

2. Summary of Proposed Revisions:

Change to JRNL 102 (a grade of C or better), JRNL 105 (a grade of C or better), JRNL 220 (a grade of C or better), 328 (a grade of C or better), department approval.

3. Justification/Rationale:

Journalism is a highly competitive field. This course is part of the core requirements for the major, which indicate whether a student may succeed in this field. Failure to master 70% of the course content is a strong indication that the student is a weak candidate for employment and/or graduate study.
