II. Description of Curriculum Change

1. Course Description

JRNL 223 Photojournalism

3c-01-3cr

Prerequisite: JRNL105 or COMM101 or instructor permission An introduction to still photography for news media. Includes preparation of a portfolio and learning of specialized processing techniques for highspeed work.

2. Summary of Changes

Prerequisite change from "junior/senior standing" to JRNL105 or COMM101 or instructor permission.

JRNL 223 Photojournalism

3c-0l-3cr

Prerequisite: Junior/senior standing

An introduction to still photography for news media. Includes preparation of a portfolio and learning of specialized processing techniques for highspeed work.

3. Rationale for change

Using "junior/senior standing" for a 200-level course never made much sense. With the program revision for the major, COMM101 is accepted in lieu of JRNL105. This prerequisite change reduces the number of overrides that need to be provided to students who have taken COMM101.

Adding "or instructor permission" to the prerequisite list will allow students in other majors, such as art, to also take this course after discussion with the course instructor.
