David,

The Library's Undergraduate Curriculum Committee has no plans currently to submit a revised LIBR-201 Internet and Multimedia for Liberal Studies credit.

Sandra, as you know, we are in the final year of our implementation of the new Liberal Studies (LS) Curriculum. All LS courses in the Undergraduate Catalog have to be revised by the end of this year to continue to be offered for LS credit in fall 2014. To that end, I have attached a spreadsheet of the Liberal Studies Courses from your department that have not been received by the LS office or which were received but not approved (awaiting revisions). Please check the list to see if they agree with your records.

The spreadsheet has six columns - College - Department - Course - LS Designation (elective, fine arts, etc.) - LS received (yes or no) - Date Revisions Requested (if it was received but returned). If we have received a course and passed it on to the UWUCC/Senate it will not be on the list.

In an effort to more accurately reflect LS offerings in the Undergraduate Catalog we would appreciate letting us, with a copy to your Dean, know your plans for each of the listed courses.

As always, let me know if there is anything I can do for you.
