2. Old Number & Title	New Number & Title
ES 493 Small Business Entrepreneurship Internship	MG 492 Small Business Entrepreneurship Internship

3. The ES prefix is already in use for a graduate program (Elementary Science). The proposed change to MG prefix will result in the use of the same prefix for all Management courses and rectify this technical error.

The nature of this internship is substantially different from the existing Management Internship (MG 493). The Entrepreneurship and Small Business track requires this particular internship for graduation. The alternative course number (MG 492) will maintain the distinction between the two internship courses.
