Rationale for Proposed Changes	
Why is the program being revised?	Two reasons: 1) the Liberal Studies component was incorrectly summed to 43-45 in the current catalog; 46 is the correct number. 2) The major component is being reduced to 39cr to comply with PASSHE requirements.
Identify the <b>Program</b> Student Learning Outcomes (SLO). Mark any SLOs that are changing as a part of the Program Revision.	none
Implication of the Change on: <ul style="list-style-type: none"> <li>- Program</li> <li>- Other programs</li> <li>- Current Students</li> </ul>	Given the number of free electives in the program, this will have a minimal impact on current and future students.
