PART II.

1. RT 335 Patient Care Skills 3c-01-3sh

An overview of the history of respiratory care and nursing. Topics include medical records, infection control, sterilization and psychosocial aspects of illness.

Prerequisites: None

2. Old title/number:
RT 335 Nursing Arts

New title/number:
RT 335 Patient Care Skills

3. This course was not appropriately named when it was developed. It was never intended to be a nursing course but rather an introduction to basic skills needed in order to provide basic patient care.
