No problem Mary, we are going over all of these right now and trying to get any that we missed. I appreciate any update on anything that has slipped by. We'll get it updated online immediately. David

Hi David.

PHIL 221 is still listed as a PHIL LS/Knowledge Area class in the catalog and online. If there is more that my department needs to do to delete PHIL 221 from the LS Knowledge Area, we'll happily do it. On Jan. 24, 2014, I sent you an email letting you know that we wanted to delete this class from the Knowledge Area, with PHIL 240, once passed, replacing PHIL 221 in the Knowledge Area. Perhaps I should have followed up.

PHIL 221 is not a deleted class, per se, but we intend that it run as a majors-only class henceforth. PHIL 221 is running in Spring, 2015, and it is not our wish that the class count as LS Knowledge Area. Perhaps we have no choice at this point. I've drafted an email to send to all faculty about PHIL spring offerings, and I'd like to know whether I'm free to give notice that the one PHIL 221 section running cannot count as LS Knowledge Area, noting that the new course, PHIL 240, is running, too.

- Mary
