## PART II

1. PH 493 Internship in Philosophy var-3-6sh  
Prerequisites: Permission of the department, junior or senior PH major or double major, 2.5 QPA  
A supervised experience of no longer than one semester and no less than five weeks. This would take place in either a public or private organization in areas that either extend and develop or complement coursework in Philosophy. The student may choose either an Academic Grade Internship (Term paper or several short papers required.) or a Pass/Fail Internship (Term paper not required.).
  
2. OLD DESCRIPTION -  
A supervised experience of no longer than one semester and no less than five weeks. This would take place in either a public or private organization in areas that either extend and develop or complement coursework in Philosophy. Log and/or major paper required. Internships are to be done with a clear analysis, argumentation, and examination of governing principles.  
  
REVISED DESCRIPTION  
See Question-Response #1 above. The last two sentences in the OLD DESCRIPTION have been replaced by the last sentence in the REVISED DESCRIPTION.
  
3. Philosophy differs from many disciplines in that it is not a vocational discipline and academic grades in upper division philosophy courses are generally based in large part on a student's written work. We feel that offering an option between a Pass/Fail or an Academic Grade Internship is consistent with traditional pedagogy in philosophy yet offers desirable flexibility to our students.
